

Built to help you stay ahead, today and tomorrow

Innovate while you operate with a unified, future-proof, cloud-native platform for all payment types, plus fraud protection

Unify payments in one place

Simplify account-to-account (A2A) payments with a single, compliant solution for all your channels: instant payments, batch payments, cross-border, and domestic RTGS.

Meet the future standard for payments

Optimise card issuing and acquiring

Increase revenue, manage risk, and reduce operating costs with a single, secure solution. Comprehensive card issuance, management, and transaction authorisation. Merchant payments acceptance with authorisation, clearing, settlement, and reconciliation.

Get the latest on ACI Connetic

Strengthen security with AI-powered fraud protection

Seamlessly integrate advanced, data-driven fraud prevention across all channels.

Landmark UK deployment of ACI Connetic

Modernise payments your way

Scale and innovate faster. Built-in extensibility to enable faster change. Ready for new rails, geos, use cases, and new customer expectations. Deploy on your terms.

Powering the world's payments ecosystem
